I am somewhat concerned about the retroactive coverage requested in one of these cases. The previous request for coverage gave assurance that [redacted] transfer would be effected on or about 1 May 1964. Until receipt of this memorandum, I had assumed that the transfer had been completed and the case was closed.

Signed 18 JUN 1964

Deputy Director
for Support

I am not aware of any good reason why this request could not have been submitted prior to expiration of earlier authorizations.
